## Here's what's inside:

### Completed Sketchnote Example

This page shows a filled-in version of the sermon notes I created live during the Bible Journal Conference class. Feel free to use it for inspiration, copy it exactly, or mix and match with your own ideas!

### Blank Sermon Note Template

Use this page to take your own notes in a creative way! Whether you write, doodle, color, or paste in cutouts, it's designed to help you focus on the message while making space to reflect on God's mercy in your life.

### Sticker & Design Elements (in 2 Sizes)

You'll find the visual pieces I used to build the sketchnote—like headings, verses, words, and embellishments.

## How to Use Your Faith-Filled Printables

### ✂️ Print Instructions

**Print at home** or send to a local print shop. Here's how to get those printables off your screen and onto your pages:

1. **Open your document.**
2. **Choose your paper:**
  - For ready-to-stick, print on **sticker paper** (matte or glossy).
  - For a budget-friendly option, print on **regular paper** or cardstock.
3. **Cut them out:**
  - ✂️ Use **scissors** for a DIY option.
  - ✂️ Or use a **cutting machine** like Cricut, Silhouette, or Brother ScanNCut with Print Then Cut features.
4. **Stick them in your Bible, journal, planner, mirror, lunchbox, or wherever you want a little extra Jesus:**
  - If using sticker paper, **simply peel and stick!**
  - If using regular paper, apply a **glue stick** or your favorite adhesive to the back of the cut-out sticker and press firmly onto your surface.

## Digital Instructions

Use these printables in your favorite digital journaling or planning app!

**Please note:** While many of these amazing apps offer a wide range of incredible features and can do so much more, I've highlighted what they are particularly known for, or how your Poop And Pray printables can best integrate with their most common uses. This way, you can jump right into using them with ease!

### Recommended Apps & How to Use Them:

- **GoodNotes** (iOS, Android, Windows, and web, though features vary by platform)
  - This app works well for a natural handwriting feel. Simply import your PNGs to decorate your digital notebooks, devotionals, or planners. You can resize, rotate, and layer them just like real stickers!
- **Penly** (Android)
  - A go-to for Android users, Penly is great for importing PNG or PDFs directly into your app. It makes it easy to add a personalized, faith-filled touch to your notes and layouts.
- **Xodo** (iOS, Android, Windows, and web, though features vary by platform)
  - A robust PDF reader and editor that works well for **PDF journaling, annotation, and simple sticker use** across most devices.
- **Canva** (iOS, Android, Windows, and web, though features vary by platform)
  - If you want to design and create your own layouts, try Canva! You can easily upload documents and these stickers into your Bible study templates, prayer pages, and creative layouts.
- **Zinnia** (iOS only)
  - A digital journaling app with tons of creative freedom, Zinnia is perfect for faith journaling with flair. Its intuitive interface makes adding stickers a delightful part of your artistic spiritual practice.

 **You're all set to stick with Jesus - in every season and every page.**
