Pen to Presence by JoDitt Williams

Hi, I'm JoDitt!

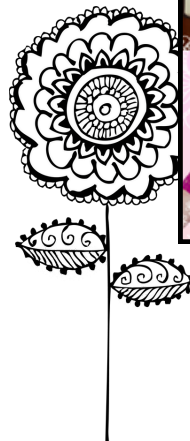

- I've loved Jesus since 3rd grade
- I've loved creative lettering since high school
- I've loved learning since... well always!
- I've loved teaching the Bible, art & worship since my twenties
- I'm the founder of JoDitt Designs & Fruitful Creativity
- I'm a graphic designer, artist, and self-published author of more than 10 books
- I'm a wife, mom, and grandma, living in Texas

Let's Grow Together!

7 Ways

*to make your LETTERING more
visually expressive so that it:*

- speaks to your heart
- unlocks your imagination
- enables you to see God more clearly

PLEASE NOTE:

My plan was to demonstrate **7 Ways** to Make Your Lettering More Visually Expressive...

But my video wound up being **WAY too long**.

So I trimmed it down and this presentation includes the highlights of Ways #1-6 plus demonstrating Way #7 (my favorite way) in step-by-step detail.

You can watch the full tutorials of Ways #1-6

on my YouTube channel HERE.

The Pen to Presence Workbook to accompany Ways #1-6 is available inside the Premier Pack.

If you bought the All Access PLUS Pack you already have access to it.
