

Understanding Peace in Biblical Context

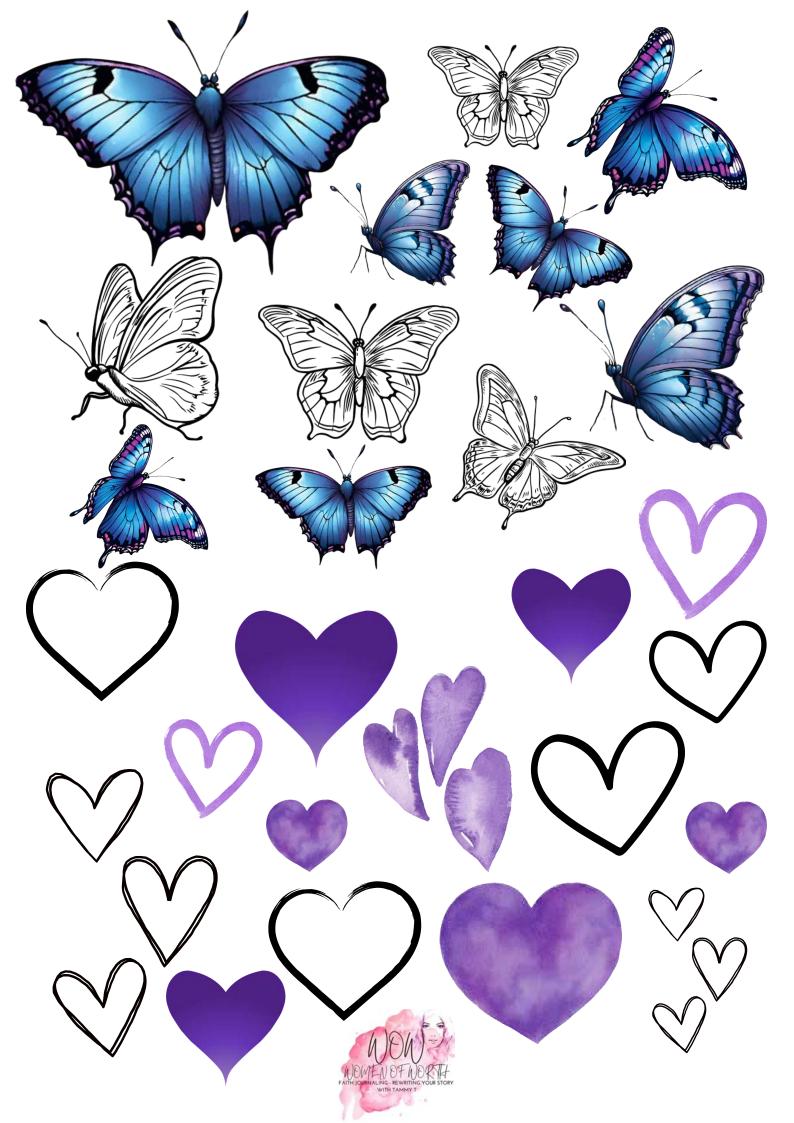

Shalom: In the Bible, peace isn't just the absence of conflict; it's "shalom," which signifies wholeness, completeness, and harmony in relationships. This peace is both internal (peace with God) and external (peace with others).

Jesus as the Prince of Peace: Jesus is the ultimate Peacemaker. He came to reconcile humanity to God and to one another (Ephesians 2:14-16). He not only proclaimed peace but embodied it.

The Role of a Peacemaker

A peacemaker is someone who actively works to bring peace, often in difficult or broken situations.
